RULES OF SALE

Selling Eligibility and Requirements

Membership dues must be paid for the current club year in order to sell or shop during members shopping time. Sellers must be a member by the Friday after the previous month's General Meeting and must register to sell by the Monday before the sale.

- Sellers must work at least 2 hours on **SATURDAY** and donate one baked good.

A seller's spouse/significant other may work 2 hours if you are unable to work. Setting up on Friday night does not count towards your 2 hours minimum work time. Members who are working should not bring their children.

If you are unable to donate a baked good, you will have \$3.00 deducted from your check (money goes directly to the MLMOM charity fund). Each seller must donate one baked good, i.e. frosted/decorated cake, doz. frosted cupcakes, pan of brownies, 2 doz. cookies, doz. large muffins or 2 doz. mini muffins. **Store bought bakery items will not be accepted.** Wrap muffins separately in sandwich bags or plastic wrap, place cookies in sets of three in baggies or plastic wrap. Tie bags decoratively to make package attractive. Keep in mind that plates or pans will not be returned. **LABEL** your baked good with a sale tag including a brief description and your **seller number**. If you are donating cookies or muffins, attach a sale tag to the group of baked goods not to each bag. **Please sign the sign-in sheet at the Bakers table** (if it is not signed, you will be charged the \$3 bake fee).

- You may sell items belonging to your friends, relatives, etc. however, these items must be tagged with your assigned number. Payment to the non-member is the seller's responsibility.
- **ALL CLOTHING MUST BE HUNG.** The Spring Sale is for Spring and Summer items only with sizes ranging from Infant to Junior. No adult clothing, except maternity clothes will be sold. Non seasonal clothes will be removed from the floor.
- **IMPORTANT INFORMATION ABOUT THE CPSC LAW REGARDING THE RESALE OF CHILDREN'S PRODUCTS** - There is now consumer protection law that bans the sale of children's products with more than 600 ppm **total lead**—even if they were manufactured before the date of this law. The Consumer Product Safety Commission, the federal agency in charge of product safety, is not requiring **resellers**, particularly thrift stores and consignment shops, to test or certify their products before they sell them, but the resellers still can have penalties if they sell a product that fails to meet the new standard. While we are not a professional resale business, we may arguably fall into this category. In addition, under this new law it became unlawful to sell **recalled products**. **We strongly encourage all MLMOM exchange sale sellers to check the CPSC Web site (www.cpsc.gov) for information on recalled products before selling a product to ensure that the product has not been recalled.** The selling of

recalled products could carry civil and/or criminal penalties. The agency suggests that resellers should pay special attention to particular product categories: cribs and play yards; children's products that may contain lead, such as children's jewelry and painted wooden or metal toys; flimsily made toys that are easily breakable into small parts; toys that lack the required age warnings; and dolls and stuffed toys that have buttons, eyes, noses or other small parts that are not securely fastened and could present a choking hazard for young children.

- Toys must be in proper working order with all pieces. **No stuffed animals** will be sold unless they're interactive (such as talks, shakes, etc.).
- All clothing must be clean with buttons and working zippers intact. Tears and holes must be mended. Items not meeting these criteria will be removed from the selling floor. If the item is something you would not want to put on your own child, or see a friend's child wearing please do not bring to sell. We reserve the right to inspect your items before you set them up to sell.
- **No merchandise will be held for anyone. If you want to buy more than you can hold, you must purchase the items, take them to your car and then come back and buy more.** Please do not remove the bottom portion of the tags from any items on the floor. The cashier/bagger will handle removal at the checkout.
- The club will keep 15% of all sales and \$1.00 for shipping and handling. The remainder will be paid to the seller.
- All sales are **CASH** only for non-members and the general public. CASH AND PERSONAL CHECKS for *current* members only. * NO IOUs!!! NO EXCEPTIONS!
- Your check will be mailed to you within 2 weeks following the sale. In order to have all checks, tags and tape provided to you in a timely manner and to ensure that all your tags will fit in the envelope the club will provide an envelope for this purpose at the cost of \$1.00 (shipping and handling charge). This will be deducted from your check. Checks not cashed after 90 days will be void.

Tagging and Pricing Items

- All sellers will be assigned a number and this number must be on all or your sale tags. The Exchange Coordinators will maintain a master list of sellers' names and numbers.
- Please sort clothes by size and gender and tag your items as follows:
 - No. 14
 - Item: Girls Blue Flower Dress
 - Size: 3T
 - Price: \$2.50
- **Information must be on both the top and bottom section of each tag.** The tags come with a string attached therefore allowing the tag to be attached through a buttonhole or around a button or through the brand name clothing tag. They may also be attached with a safety pin. **Absolutely no straight pins will be allowed! DO NOT TAPE THE BOTTOM PORTION OF THE TAG OR ENCLOSE A TAG INSIDE OF BAGGED ITEMS.** Items tagged improperly will be removed from the sale tables.

- All small items such as socks, booties, small shoes, mittens and toys should be placed in clear plastic bags.
- The prices you ask are up to the individual seller. It depends on the quality of the item, the shape it is in and how few items you want to pick up at the end of the sale. If at any time during the sale you wish to mark down your items, please obtain a red pen from the checkout table. Markdowns must be made in red and initialed by the seller. The cashier will not accept markdowns that are not done in this way. Please price items in multiples of 25 cents. Minimum price for an item is 25 cents.
- **All clothing must be hung.** Two-piece clothing items, such as jogging suits, must be safety pinned together to prevent separation.
- **NO TAG NO SALE!** If a tag should become separated from an item, that item WILL NOT BE SOLD but removed from the floor and placed in the lost tag section. It is the seller's responsibility to verify the location of the lost tag section and to check it periodically throughout the course of the day to claim, retag, and put back out on the floor any personal items. Any items not claimed in the No Tag area will be donated to charity at the end of the sale day.
- We will do our best to ensure that nothing is stolen but we cannot be responsible for missing items. Main Line MOM's will NOT be responsible for any items damaged due to fire or water.
